RESPONSE TO COMMENTS

ON THE CONDITIONAL MAJOR DRAFT PERMIT F-07-020

Benson International, Inc.

Cadiz, KY 42211

Date May 16, 2007

Sajjad Quabili, Reviewer

SOURCE ID: 21-221-00014

SOURCE A.I. #: 74766

ACTIVITY ID: APE20060001

SOURCE DESCRIPTION:

A constructing/operating permit application was received from Benson International on December 11, 2006 and was complete on March 19, 2007. The applicant proposes to construct/operate an aluminum/steel truck trailer manufacturing facility. The process includes assembly of metal pieces, welding, grinding, grit blasting and painting.

PUBLIC AND U.S. EPA REVIEW:

On April 4, 2007, the public notice on availability of the draft permit and supporting material for comments by persons affected by the plant was published in *The Cadiz Record* in Cadiz, Kentucky. In addition, notification of the issuance of the draft permit was sent to the U.S. EPA on April 6, 2007 via e-mail. The public comment period expired 30 days from the date of publication.

Comment received

Comments were received from Benson International on May 7, 2007. Attachment A to this document lists the comments received and the Division's response to each comment. Minor changes were made to the permit as a result of the comments received, however, in no case were any emissions standards, or any monitoring, recordkeeping or reporting requirements relaxed. Please see Attachment A for a detailed explanation of the changes made to the permit.
